All members of the public have a statutory right to attend council meetings as observers and as part of our commitment to community engagement, the Council has chosen to set aside time at each meeting, to hold a public forum.

Members of the public are very welcome to stay for the remainder of the Council meeting, as observers, but they will not be able to join in any subsequent discussions. If confidential items (e.g. staffing issues) are discussed, members of the public may be excluded.

Public Forum is one opportunity to ask questions. There are others, including telephoning or writing to the Parish Council or Parish Councillor, during normal office hours to ask a question.

All those present will act respectfully and will not act in a manner that demeans, insults, threatens or intimidates others. Offensive or threatening behaviour will not be tolerated, and Council reserves the right to curtail the contribution of and exclude anyone acting in this manner.

The Parish Council will be unable to discuss any issues raised under this session and no decisions will be made. Any items requiring decision will be added as agenda items for the next meeting.
